That is true, but they invite any one they want to their meeting and they expect at least 100 people, in the same courtroom. We are not going to mail anything out because it's not our meeting. We just need our progress added to the past presentation and I will update our fact sheet with our progress. Ignore my last message, I was thinking about it from our meeting point of view. We just need a handout updated fact sheet.

Thanks,

Bill

Gary & Joan;

I have confirmed the meeting for February 23, 2015 from 5:30 TO 7:00, in Judge Burney's Courtroom. We will be addressing the Community and updating them on our progress and next steps. We will need an updated fact sheet and presentation. I would hope by then we would have a good idea of where we will actually be proceeding, like; ( removal complete, remedial assessment scheduled) or whatever the situation will be.

The meeting is the request of: Dr. Teddy McDavid/President

Old Spanish Trail Community Partnership in Houston TX

(b) (6)

We will expand our mailing to include this organization and the other organizations we added from the last meeting. I would also like to send a separate meeting announcement and use the new fact sheet as a handout at the meeting.

President McDavid expects a large turnout, and stated that there will be around 100 people in attendance.

Thanks,

Bill
